EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2019 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at <http://www.kingriverresources.com.au>.

Shareholders will be offered the following opportunities:

- (a) discuss the Annual Financial Report for the financial period ended 30 June 2019;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2019.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Meeting.

2.2 Voting Consequences

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the managing director) must go up for re-election.

2.3 **Previous voting results**

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

2.4 **Proxy restrictions**

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on Resolution 1 (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for Resolution 1.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution 1, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution 1.

The Chairman intends to vote all undirected proxies in favour of Resolution 1. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the proxy form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2019. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

3. **RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ANTHONY BARTON**

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Anthony Barton was first appointed as a Director on 21 May 2007 and was last re-elected at the 2016 annual general meeting on 12 October 2016. Mr Barton retires by rotation in accordance with the Constitution, and being eligible, offers himself for re-election.

Anthony Barton is Chairman of the Company. Details of the qualifications and expertise of Mr Barton are set out in the 2019 Annual Report of the Company.

The Board of the Company recommends the re-election of Mr Barton as a Director.

4. **RESOLUTION 3 – AMENDMENT TO THE COMPANY'S CONSTITUTION**

4.1 **Special Resolution**

This Resolution is a special resolution proposing to modify the Constitution by deleting the current rule 2.11 and inserting a new rule 2.11 in its place. Rule 2.11 concerns restricted securities.

Section 136 of the Corporations Act allows a company to modify its constitution by a special resolution passed at a general meeting of the company. A special resolution must be passed by at least 75% of the votes cast by Shareholders who are entitled to vote on the resolution.

4.2 Reasons for the amendment to the Constitution

In accordance with ASX's Public Consultation Paper of 28 November 2018 titled "*Simplifying, clarifying and enhancing the integrity and efficiency of the ASX Listing Rules*", the ASX proposed a number of changes to the Listing Rules.

One efficiency measure the ASX proposed was to amend the Listing Rules to give effect to a modified escrow regime to make aspects of the listing process and ongoing compliance with the Listing Rules more efficient.

ASX's modified escrow regime is to come into effect from 1 December 2019. A two-tiered escrow regime is to be introduced.

The first tier of escrow will involve ASX requiring certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of an ASX compliant restriction agreement (Appendix 9A). The expectation is a restriction agreement requirement will be imposed on related parties, promoters, substantial holders, service providers and their associates.

However, for less significant holders, a second tier will apply where ASX will instead allow listed entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to provide a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions. Securities in a class of quoted securities will be made the subject of a holding lock for the duration of the escrow period.

This two-tier escrow regime is to replace the current requirement where all holders of restricted securities must enter into a formal escrow agreement.

In order to provide a constitutional underpinning for ASX's modified escrow regime, the ASX is amending Listing Rule 15.12 (restricted securities) from 1 December 2019.

The new Listing Rule 15.12 requires the constitution of listed entities to reflect the modified escrow regime. This includes the constitution expressly providing for securities to be the subject of a holding lock where they are in a class of quoted securities and further providing that the holder of restricted securities will not be entitled to participate in any return of capital during the escrow period.

4.3 Amendment

The current rule 2.11 of the Company's Constitution does not provide for the ASX's modified escrow regime. A modification of the Constitution is therefore sought by deleting the current rule 2.11 and inserting a new rule 2.11 in its place which will be in the following terms:

"2.11 Restricted Securities

- (a) *The Company must comply with the Listing Rules in respect of Restricted Securities.*
- (b) *Notwithstanding the generality of Rule 2.11(a):*
 - (i) *a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
 - (ii) *if the securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored subregister and are to have a*

Holding Lock applied for the duration of the escrow period applicable to those securities;

- (iii) the Company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (iv) a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
- (v) if a holder of Restricted Securities breaches a restriction deed or a provision of this Constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues."*

The new proposed rule provides the constitutional underpinning for ASX's modified escrow regime.

The changes to Listing Rule 15.12 (which are reflected in the above new rule) are proposed to take effect from 1 December 2019 and will apply to restricted securities after that date. Any restricted securities issued before 1 December 2019 must continue to comply with the provisions of Listing Rule 15.12 in force immediately prior to this date.

A copy of the Constitution with the amendment proposed will be made available for review by Shareholders at the office of the Company. A copy will be available for inspection at the Meeting.

The Directors recommend Shareholders vote to modify the Constitution to insert the new rule to ensure compliance with the Listing Rule changes.
